ESCALADE

2017

Cadillac

DARE GREATLY

AMBITION. ON A GRAND SCALE.

Year after year, the aspiration of utter perfection is pushed even further. Leadership is defined and redefined. There is no expectation left unfulfilled. With unmatched interior prestige and extraordinary comforts, concluded with a bold, distinguished exterior, there is no comparing it.

The 2017 Cadillac Escalade.

Escalade Platinum in Crystal White Tricoat. Shown with available equipment.

PASSIONS

Craftsmanship
Innovation
Performance

There is no looking away

because there have been no compromises

Spacious enough to hold

a precise attention to detail

A particular vision of innovation

is illuminated by all-LED technology

As nimble as it is commanding,

it puts the control in performance

FEATURES

Exterior
Interior
Platinum
Prestige Utility
Performance
Safety
Selections

Escalade Platinum in Black Raven. Shown with available equipment.

A DECLARATION ON THE SUBJECT OF AUTOMOTIVE DESIGN

Dramatic angles and powerful planes meld seamlessly with arresting lighting and chrome details. A stylishly bold grille is framed by all-LED signature headlamps that feature five crystals, fully stacked. While available Cornering LED lamps project light into curves when the vehicle is turning. The result is a vision that is impossible to ignore.

OFFERED FEATURES: SIGNATURE GRILLE & FORWARD LIGHTING • ADVANCED REAR LIGHTING • 22" WHEELS • INVISIBLE REAR WIPER • CAPLESS FUELING SYSTEM • ILLUMINATING DOOR HANDLES

Rear wiper, forward-thinking design

The Invisible Rear Wiper is concealed when not in use—protecting it from the elements, while preserving the vehicle's clean lines.

Style and science come full circle

Available 22" wheels are cast in an innovative, full-forming process that saves weight, adds strength and looks striking.

The leading edge of innovation is a blade

The LED lights in each light-blade taillamp delivers brighter illumination than conventional technology.

Improved visibility, impressive style

Available Illuminating Door Handles create a soft glow as you approach the vehicle.

Faster fueling

The Capless Fueling system is both cleaner and more simplified.

Escalade Premium Luxury in Dark Granite Metallic. Shown with available equipment.

CRAFTSMANSHIP ON THIS SCALE IS RARE INDEED

Attention to detail after detail. That is the Escalade cabin. Crafted with a care and precision reminiscent of fine tailoring. Trims and leathers meet with flawless seams and peerless stitching. In every case, these materials have been painstakingly curated to work together beautifully—so, whether you choose a hand-finished Turin leather steering wheel or the available full-leather Kona Brown seats, your cabin expresses your taste perfectly.

In addition to stunning craft, the cabin features a variety of comforts, such as heated front and rear seats, as well as front seats that cool.

OFFERED FEATURES: BOSE® CENTERPOINT® SURROUND SOUND WITH ACTIVE NOISE CANCELLATION • REAR SEAT ENTERTAINMENT • TRI-ZONE CLIMATE CONTROL • SURROUND VISION • AUTOMATIC PARK ASSIST • REAR CAMERA MIRROR • HEAD-UP DISPLAY • RECONFIGUREABLE GAUGE CLUSTER • ONSTAR 4G LTE AND BUILT-IN WI-FI® HOTSPOTS • KEYLESS ACCESS WITH REMOTE START • WIRELESS CHARGING

A very special venue

A variety of features transform the cabin into that rare place where entertainment and convenience go hand in hand. Acoustic front glass, triple-sealed inset doors and Bose Active Noise Cancellation work to create the Escalade's extraordinarily quiet interior. The 16-speaker Bose Centerpoint Surround Sound system makes the most of this venue. So does the available Rear Seat Entertainment (RSE) system. It features a 9" diagonal screen, Blu-ray™ playback, MP3 capability, two wireless headphones, as well as HDMI and USB[1] ports.

The system also supports streaming Wi-Fi connected devices to the rear screen, ensuring everyone has delightful diversions.

A controlled and comfortable environment

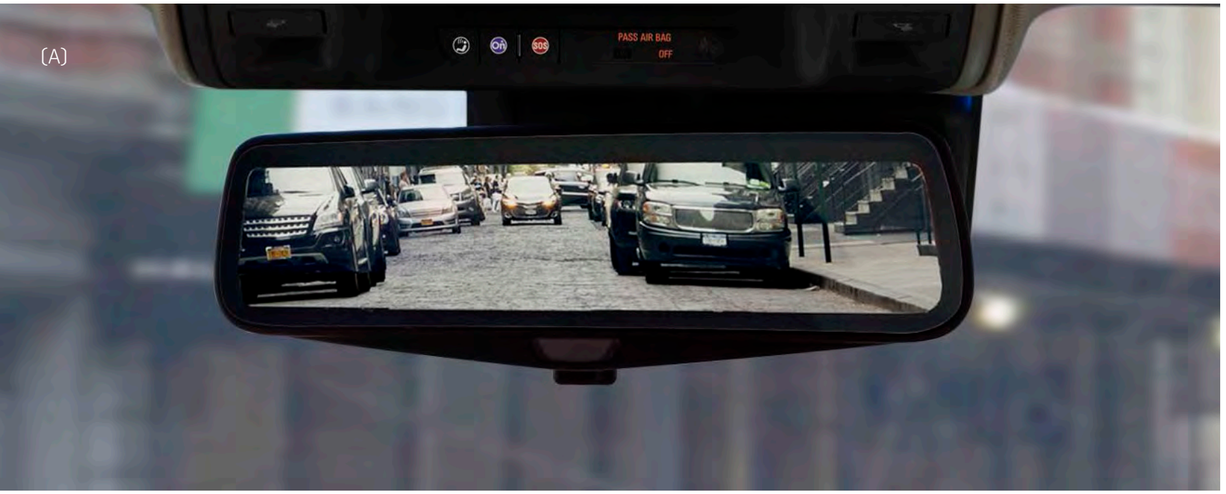
Tri-Zone Climate Control allows driver, front passenger and rear passengers to adjust temperatures individually. This emphasis on individual control and comfort extends to power-adjustable pedals, as well as a function-rich power tilt-and-telescoping heated steering wheel. And should individuals require even more space, the Escalade ESV offers additional leg room, seating and larger doors to easily accommodate up to eight passengers.

1. Not compatible with all devices.

See the many advantages

The Escalade is equipped with a variety of available systems that help you command the environment beyond the cabin. For instance, Surround Vision provides an overhead view of the area immediately around the vehicle, a great help when parking or in reverse. Automatic Park Assist uses sensors to both guide your vehicle, as well as choose the most appropriate space. And when the desire of additional visibility conveniences arise, the Rear Camera Mirror streams HD video from a tailgate camera directly to the rearview mirror, offering a view (A) with substantially more vision than a traditional mirror (B).

(A)



(B)

Looking ahead

The full-color Head-Up Display (HUD) projects selected information onto the front windshield, allowing you to keep your eyes safely on the road. And a reconfigurable 12.3" LCD gauge cluster lets you choose how you want to see vehicle, entertainment, communications and navigation information.

Commanding connectivity

The Escalade is truly a vehicle for connecting to the world. Available OnStar 4G LTE and built-in Wi-Fi hotspot[1] allows you to connect up to seven devices up to 50 feet away, while Wireless Charging can power-up these mobile devices.

1. Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations. Data plans provided by AT&T. **2.** Cadillac CUE functionality varies by model. Full functionality requires compatible Bluetooth and Smartphone. Some devices require USB connectivity. **3.** Vehicle user interfaces are products of Apple and Google and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply. CarPlay is a trademark of Apple Inc. Android Auto is a trademark of Google, Inc.

Your phone, even smarter

Cadillac CUE®[2] not only puts a suite of information, entertainment and communications functions at your command — by touch or voice — but also allows for Phone Integration with Apple CarPlay™[3] compatibility, which allows you to access your contacts, Apple Music™ and other information from your iPhone.® You can also access Siri,® so features are easily accessible to you or your front-seat passenger.

Android™ Auto[3] compatibility is also available.

Cadillac CUE shown with Apple CarPlay compatability and other available equipment.

A head start, with a smart start

And Keyless Access connects you to your vehicle, enabling you to open or lock the doors without removing the key fob from your pocket or handbag. The fob also has a Remote Start feature.

Escalade Platinum in Dark Granite Metallic. Shown with available equipment.

THE APEX OF THE SUV

To make the best in craftsmanship, innovation, utility and performance even better. This is the essence of the Platinum Escalade. A cabin that comforts the body and entertains the senses in an environment rich with detail.

STANDARD PLATINUM FEATURES: SEMI-ANILINE LEATHER MASSAGING AND 18-WAY ADJUSTABLE FRONT SEATS • CENTER CONSOLE COOLER • LEATHER-WRAPPED STEERING WHEEL AND INSTRUMENT PANEL • EXCLUSIVE REAR SEAT ENTERTAINMENT SYSTEM • EXCLUSIVE GRILLE AND WHEELS • POWER-RETRACTABLE ASSIST STEP

Supple and strong

Semi-Aniline leather makes the first- and second-row seating surfaces, as well as the leather-wrapped steering wheel and instrument panel, supple yet more resistant to wear. Sueded microfiber headliners and door trim, along with exclusive wood accents, complete the cabin.

Comfort that moves you

Platinum's multi-directional massaging front seats also feature 18-way power adjusters.

First-class entertainment, regardless of where you're sitting

For second- and third-row passengers, the Rear Seat Entertainment (RSE) system features dual screens in the front head restraints and tri-play capability allows different screens to play different content.

In a word, cooler

A center console cooler is just one of the many features you'll wonder how you lived without.

Striking and smart

The bold Platinum grille with Galvano chrome is an example of superior design. Others include 22" premium painted wheels featuring chrome inserts that are sure to grab attention.

Stylish assistance

Power-Retractable Assist Steps come forward to greet you, then retract gracefully when not in use.

AT THIS LEVEL, UTILITY BECOMES ELEGANCE

Form and function lead the way. This unmatched luxury SUV is equipped with a variety of ingenious features that allow it to do more and please more, including the extended wheel base ESV.

Escalade ESV Platinum in Radiant Silver Metallic. Shown with available equipment.

OFFERED FEATURES: CARGO CAPACITY • POWER-FOLDING THIRD-ROW SEATS • HANDS-FREE POWER LIFTGATE • CENTER CONSOLE STORAGE

Room, with a point of view

Everything is easily within reach with generously sized, intelligently placed storage compartments. And with the touch of a button, power-folding third-row seats quickly disappear to yield up to 121 cubic feet of cargo space in the Escalade ESV.

A hand when yours are full

With the Hands-Free Power Liftgate, a kicking motion under the center of the rear bumper opens or closes the gate. And a memory height function allows you to program how high the gate opens to suit you.

Another intelligent use of space

The center storage console is equipped with USB ports and a 110V power outlet for charging and more connections.

Escalade Platinum in Radiant Silver Metallic. Shown with available equipment.

REMARKABLY LIGHT ON ITS FEET

The Escalade combines dynamic performance and poised handling. Look forward to a nimble, yet powerful drive every time you sit behind the wheel.

OFFERED FEATURES: 6.2L V8 ENGINE AND 8-SPEED AUTOMATIC TRANSMISSION • ELECTRONIC POWER STEERING • STABILITRAK • MAGNETIC RIDE CONTROL • 4-WHEEL DRIVE WITH DRIVER-SELECTABLE MODES • 8300 LBS MAXIMUM TRAILERING CAPACITY

As smart as it is powerful

The 6.2L 420 hp V8 is paired with an intelligent 8-speed automatic transmission that moves between gears in the smoothest, most efficient fashion, serving best-in-class standard horsepower. Engine technologies like Continuous Variable Valve Timing, multi-port Direct Injection and Active Fuel Management also ensure this power-plant's 460 lb-ft of torque are harnessed efficiently.

4-Wheel Drive — many advantages

Available 4-Wheel Drive allows you to select between an AUTO mode, switch between 2WD and 4WD HI for everyday driving or a 4 LOW mode for more challenging conditions.

Pulling an industry forward

The standard Trailering Package provides an anything-but-standard 8300 lb trailering capacity, more than enough to handle your experiences.

Steady as you go

Stabilitrak automatically helps enhance control, particularly during emergency maneuvers, by adjusting the brakes and engine torque to keep you grounded.

Read the road 1000 times a second

Magnetic Ride Control reads the road up to 1000 times a second and automatically adjusts the suspension to road surface and weather conditions. The result is a highly responsive vehicle regardless of road conditions.

Escalade ESV Platinum in Radiant Silver Metallic. Shown with available equipment.

Escalade ESV Platinum in Crystal White Tricoat. Shown with available equipment.

ONE BIG IDEA DRIVES ITS MANY SAFETY INNOVATIONS

From an ultra-high-strength steel alloy safety cage to systems that keep watch to the front, rear and sides, every Escalade is equipped with a variety of safety technologies designed to do nothing less than protect your peace of mind.

OFFERED FEATURES: SAFETY ALERT SEAT • LANE DEPARTURE WARNING WITH LANE KEEP ASSIST • FRONT AND REAR AUTOMATIC BRAKING • AUTOMATIC SAFETY BELT TIGHTENING • ADAPTIVE CRUISE CONTROL WITH FULL-SPEED RANGE • RAINSENSE WIPERS • SIDE BLIND ZONE ALERT AND LANE CHANGE ALERT • FORWARD COLLISION ALERT • REAR CROSS TRAFFIC ALERT • SURROUND VISION • REAR VISION CAMERA

Surrounded by safety innovation

FRONT

Maintain an intelligent space

Adaptive Cruise Control uses both radar and cameras to maintain a set distance between you and the detected vehicle ahead.

Truly forward thinking

Forward Collision Alert monitors traffic ahead, alerting you if a potential collision is imminent, while Following Distance Indicator shows the following time to the detected vehicle ahead (in seconds) in the Driver Information Center (DIC).

An intelligent wiper

Rainsense Wipers automatically engage when rain is detected, adjusting their speed to the rain's intensity.

SIDE

Travel the straight and smart

Using monitors to sense lane boundaries, Lane Keep Assist gently turns the steering wheel if the system anticipates the vehicle is leaving the lane unintentionally or without using your turn signal. Working in conjunction with the Safety Alert Seat, Lane Departure Warning sends a visual alert in the cluster and a warning pulse through the seat cushion.

All clear

Side Blind Zone Alert monitors your blind spots, so if a vehicle is in the adjacent lane, an icon in the side mirror illuminates to alert you. If you activate your turn signal while the icon is illuminated, it will begin to flash. Lane Change Alert surveys the area well beyond the side blind zone, and flashes the side mirror warning icon to alert you of a rapidly approaching vehicle.

INSIDE

Firmly reassuring

During emergency braking or sudden maneuvers, available Automatic Safety Belt Tightening activates. When conditions return to normal, they ease automatically.

Grabs your attention. Subtly.

Cadillac's patented Safety Alert Seat sends a discreet pulse to the left, right or both sides of the driver's seat, indicating the direction of the threat—left, right or front.

Gain precious time

Up to certain speeds, available Front and Rear Automatic Braking can sense imminent front and rear collisions and automatically engage the brakes, if you have not already done so, helping to reduce the severity of the collision. The system may even help avoid a collision at very low speeds.

REAR

Brighter backing out

When backing out of a parking space, Rear Cross Traffic Alert warns of oncoming traffic to either side of your vehicle.

See what lies behind

Rear Vision Camera automatically displays a live image of the area behind you on the Cadillac CUE® screen. Guiding lines on the image plot out your intended trajectory, helping you to see people and objects that might be in your path.

A higher look at what surrounds

Available Surround Vision provides a bird's-eye view of the area immediately surrounding the vehicle when in low-speed drive or reverse. This view, projected on the Cadillac CUE screen, helps increase your awareness when parking or in reverse.

Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

STANDARD FEATURES

2017 Escalade and Escalade ESV Features

DRIVETRAIN

6.2L V8 Engine 420 hp and 460 lb-ft of torque with Active Fuel Management and an external oil cooler
Differential Heavy-duty locking rear
Rear-Wheel Drive
Transmission Hydra-Matic Heavy-duty Eight-speed automatic, manual mode, Tow/Haul mode and external oil cooler

CHASSIS AND SUSPENSION

Brakes Four-wheel vented disc with antilock system and DuraLife rotors, Hill Hold and Hill Start Assist
Steering Rack-and-pinion with variable electric power assist
Suspension Independent front with coil-over-shock design/five-link rear and automatic load leveling
Magnetic Ride Control with selectable Sport mode (Sport mode automatically adjusts suspension tuning, transmission shift points and steering gain)
Trailering Equipment Heavy-duty

EXTERIOR

Active Aero Grille Shutters
Assist Steps Integrated
Automatic Park Assist Parallel and perpendicular parking
Capless Fueling System
Glass Solar-absorbing windshield
Acoustic windshield and front side windows
Privacy tint on rear windows and tailgate
Keyless Access With passive entry for all exterior doors and rear liftgate
Liftgate Hands-free power with programmable memory height
Lighting Full-LED headlamps, high and low beams, Cadillac signature Daytime Running Lamps
Full-LED light-blade taillamps
Mirrors Rearview, heated, power-adjustable, power-folding, curb-view assistance, turn signal indicators, puddle lamps and driver-side automatic dimming

Wipers Rainsense front
Rear integrated, intermittent with washer

INTERIOR

Adjustable Pedals Power with memory
Adaptive Remote Start Automatically detects the ambient temperature and heats or cools the cabin and front seats accordingly
Audio System Premium 16-speaker Bose® Centerpoint® Surround Sound system. Three USB ports[1] and auxiliary audio connectivity. CD/MP3 single-disc player
Bluetooth®[2] Hands-Free Calling and data-service streaming with Natural Voice Recognition
Bose Enhanced Active Noise Cancellation
Center Console
- Dual cupholders with cover
- Wireless Charging[3] for mobile devices
- Covered storage with auxiliary power outlet and two USB ports,[1] 110-volt power outlet and auxiliary power outlet for second-row passengers

Cruise Control Electronic, with resume speed
Cadillac CUE® (Cadillac User Experience)[4] Information and media control system with 8" full-color diagonal LCD capacitive multi-touchscreen, includes teen Driver Setting Cadillac CUE Collection with access to browse and install apps to your vehicle.
Gauge Cluster, Reconfigurable 12" Driver Information Center (DIC) with two themes: Balanced and Enhanced
Keyless Access With Push-Button Start
LED Illumination of the interior, door handle releases, door storage, console and footwell areas
Memory Package Includes two presets for driver seat position, exterior rearview mirrors, power tilt-telescoping steering column and power-adjustable pedals
Mirror Automatic-dimming rearview, with OnStar[5] controls
Navigation[6] Integrated with Cadillac CUE; includes NavTraffic
OnStar Basic Plan[7] For 5 years, including limited myCadillac mobile app[8] services, Vehicle Diagnostics[9] and Dealer Maintenance Notification
Rear Seat Reminder Alerts you to items left on the second-row seats
Seating
- Leather seating surfaces (first and second row)
- Front bucket, with 12-way adjustment including 4-way power lumbar control
- Heated and cooled front passenger with three settings
- Heated second row with three settings
- Second-row bucket, manual fold-and-tumble
- Third-row 60/40 split-bench, power fold-flat, up and down

SiriusXM Satellite Radio[10] With three trial months
Steering Column Power Tilt, Telescoping
Steering Wheel Heated, leather-wrapped with fingertip controls for Cadillac CUE,[4] audio, Bluetooth phone interface and cruise control
Tire Pressure Monitoring System Excludes spare tire
Tri-Zone Climate Control Automatic with individual settings for driver, front passenger and rear seating areas
Universal Home Remote Three-channel
Windows Power with driver and front passenger express-up/-down and rear passenger express-down

SAFETY AND SECURITY

Air Bags[11] Driver and front passenger dual-stage frontal; driver seat-mounted Front Center Air bag; driver and front passenger seat-mounted side-impact for thorax and pelvic protection; and head-curtain side-impact for outboard seating positions, with rollover sensor
OnStar Guidance Plan[12] For 1 year, including Automatic Crash Response, Stolen Vehicle Assistance, Roadside Assistance, Turn-by-Turn Navigation, Vehicle Diagnostics and more (trial excludes Hands-Free Calling)
OnStar 4G LTE[13] And available built-in Wi-Fi® hotspot to connect to the internet includes 3 GB or 3 months OnStar Data Trial (whichever comes first)
Park Assist, Front And Rear
StabiliTrak Electronic Stability Control With Rollover Mitigation
Surround Vision Bird's-eye view of vehicle
Theft-Deterrent System Engine immobilizer
Traction Control All-speed with brake and engine intervention

AVAILABLE FEATURES

Engine Block Heater
Four-Wheel Drive Driver-selectable, two-speed transfer case: 2WD, Automatic, 4WD High, 4WD Low and Neutral
Seating Second-row 60/40 split-bench, manual fold-and-tumble

LUXURY

Enjoy 2017 Escalade Features + these enhancements:

Seating Second-row, 60/40 split-bench, power-release fold-and-tumble
Wheels (see inside back cover for more details)
- 22" chrome multi-featured design
- 22" 6-spoke chrome

1. Not compatible with all devices. **2.** Go to my.cadillac.com to find out which phones are compatible with the vehicle. **3.** The system wirelessly charges one PMA- or Qi-compatible mobile device. To check for phone or other device compatibility, see my.cadillac.com. **4.** Cadillac CUE functionality varies by model. Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. **5.** Visit onstar.com for coverage map, details and system limitations. Services vary by model and conditions. **6.** Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada. **7.** Does not include emergency or security services. Visit onstar.com for coverage map, details and system limitations. **8.** Requires data plan, compatible vehicle and compatible device. Some features require factory-installed remote-start, power locks, Tire Pressure Monitoring System or active OnStar service. **9.** Capabilities vary by model. Visit onstar.com for details and system limitations. Message and data rates may apply. Requires active OnStar service, email address and enrollment in Advanced Diagnostics. **10.** If you subscribe after your trial period, *subscriptions are continuous until you call SiriusXM to cancel.* See SiriusXM Customer Service Agreement for complete terms and geographic limitations at siriusxm.com. Other fees and taxes will apply. All fees and programming subject to change. **11.** Always use safety belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information. **12.** Visit onstar.com for coverage map, details and system limitations. OnStar acts as a link to existing emergency service providers. **13.** Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations. Data plan provided by AT&T. **14.** Before making a lane change, always check the Side Blind Zone Alert display and the side and inside rear mirrors, look over your shoulder for vehicles and hazards, and activate the turn signal. **15.** Adaptive Cruise Control is no substitute for the driver's personal responsibility to operate the vehicle in a safe manner. The driver needs to remain attentive to traffic and road conditions and provide the steering, braking or other inputs necessary to retain control of the vehicle.

OWNER BENEFITS

Our owners deserve it all. That's why 2017 vehicles are backed by a comprehensive suite of owner benefits. To learn more, visit:

cadillac.com/Escaladeownerbenefits

ONSTAR

With available OnStar,[1] you can get immediate help, outsmart and avoid vehicle theft, reach destinations, stay connected, even manage your vehicle's health. To learn more, visit:

ABOUT THIS CATALOG

We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Cadillac dealer for complete details. Any variations in colors shown are due to reproduction variation in the printing process. Cadillac reserves the right to lengthen or shorten the model year for any product for any reason, or start and end model years at different times. Note: Some photographs in this catalog show vehicles with optional equipment.

ENGINES

Cadillac products are equipped with engines produced by GM Powertrain or suppliers to GM worldwide. The engines in Cadillac products may also be used in other GM makes or models.

TIRE SEALANT AND COMPRESSOR KIT

If your vehicle has a tire sealant and compressor kit, it uses a liquid tire sealant to temporarily seal up to a ¼-inch puncture in the tread area of the tire. After using the inflator kit, it is recommended to take the tire to an authorized dealer for inspection and repair as soon as possible but at least within 100 miles of driving. The tire sealant cannot seal and inflate sidewall damage, punctures larger than ¼-inch or a tire that has unseated from the wheel. The sealant can only be used on one tire, one time before its expiration date.

ASSEMBLY

Cadillac vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Cadillac vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

UPDATED SERVICE INFORMATION

Cadillac dealers receive useful service bulletins about Cadillac products. You may purchase them from Helm Incorporated by calling 1-800-782-4356 or by visiting www.helminc.com.

NEW VEHICLE LIMITED WARRANTY

World-class coverage comes standard on every 2017 Cadillac. This warranty is for Cadillac vehicles registered in the U.S.A. See your Cadillac dealer for terms and conditions.

COVERED FOR 6 YEARS/70,000 MILES (WHICHEVER COMES FIRST)

Powertrain limited warranty with no deductible, Roadside Assistance Program[2] and Courtesy Transportation Program.[2]

COVERED FOR 4 YEARS/50,000 MILES (WHICHEVER COMES FIRST)

Bumper-to-bumper coverage. Tires—defects in material and workmanship; repairs made to correct any vehicle defect; corrosion on body sheet metal panels.

RUST-THROUGH COVERAGE

Cadillac vehicles are designed and built to resist corrosion and rust-through corrosion. Any body sheet metal that rusts through (in the form of an actual hole in the sheet metal) is covered for six years and unlimited mileage. Cosmetic or surface corrosion—resulting from stone chips or scratches in the paint, for example—is not included in the rust-through coverage. Application of additional rust-inhibiting materials is not required under the rust-through coverage and none is recommended. See your Cadillac dealer for terms of this limited warranty.

FLEET ORDERS

Some standard content may be deleted with fleet orders. See dealer for details.

1. Visit onstar.com for coverage map, details and system limitations. Services vary by model. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. Available Wi-Fi requires compatible mobile device, active OnStar service and data plan. Data plans provided by AT&T. **2.** Roadside Assistance Program and Courtesy Transportation Program are not part of the New Vehicle Limited Warranty. A separate booklet titled, "Warranty and Owner Assistance Information" furnished with each new vehicle provides detailed warranty coverage information.
